Based on Article: "The Ultimate Guide to Seasonal Cannabis Seed Promotions: What to Look For"  
Website: <https://theseedconnect.com>

A practical checklist to evaluate seasonal cannabis seed promotions effectively.

## Checklist Items:

### 1. Assess the Discount Details

Check the percentage discount and confirm the original price is clearly listed. Calculate the final per-seed cost including any bonuses.

### 2. Evaluate Seed Quality

Look for seller signals like germination guarantees, clear strain information, and freshness indicators. Confirm the seller provides a solid policy and responsive support.

### 3. Read the Fine Print

Scrutinize the terms of the promotion to identify minimum purchase requirements, exclusions for freebies, and other shipping conditions that may affect the overall deal.

Reference Section: [What to Check in the Fine Print of a Promotion](#)

### 4. Verify Shipping Policies

Understand the shipping costs and timeline. Ensure the pricing does not negate the perceived savings from the promotion.

Reference Section: [How Shipping and Location Affect Your Deal](#)

### 5. Compare Multiple Promotions

Create a side-by-side comparison of various promotions to identify which offers true value based on your growing needs and the actual prices per seed.

Reference Section: [How to Compare Seasonal Deals Without Getting Distracted by Hype](#)

### 6. Check for Customer Feedback

Read reviews focusing on seed consistency and seller support. Look for repeated positive outcomes rather than one-off reviews.

### 7. Avoid Common Mistakes

Be wary of overvaluing a free seed pack. Confirm that the promotion meets your needs without having hidden costs or conditions that limit your choices.

### 8. Consider Seasonal Trends

Note the time of year and typical promotions. Identify what types of deals are prevalent in spring, summer, fall, or winter to spot the best value.

### 9. Check Guarantee Terms

Ensure that any germination guarantees are coupled with clear terms and conditions, as well as a history of seller reliability.
